We are happy to announce the return of The Quad Manhattan After School Swim Club at the Lemman Prep Upper School (25 Greenwich St). Our aquatics program is offered twice a week on Mondays and Tuesdays afternoons with instructional swim within walking distance at Lemman Manhattan Prep Upper School, 25 Greenwich St. Students are walked over twice a week for 40 minutes of instructional swim from Pine St School to Lemman.

Our specialized After School Swim Club offers superior instructional swimming. The program provides individual attention in small group classes which allows campers to learn at any ability and level. Aquatic instruction is customized based on your child's swimming goals and needs. We teach all swimming fundamentals and safety to all beginner swimmers and provide stroke clinic analysis to our most advanced swimmers.
