

CPR Professional Rescuer BL (\$125)

The CPR/AED for Professional Rescuers course trains professional-level rescuers to respond to breathing and cardiac emergencies in adults, children and infants until more advanced medical personnel take over. Participants who successfully complete this course receive an American Red Cross certificate for CPR/AED for Professional Rescuers valid for 2 years. This class is taught in a blended learning format and the online portion (accessed via mobile desktop or tablet) must be completed prior to attending the instructor-led skills session.
